5. That, I have received Permanent Fund Dividend checks every year beginning with the year 1982;
6. That, I pay taxes and fees for my professional licenses, my mandatory continuing education, purchases of motor, aviation, and marine fuel, vehicle registrations, Borough property taxes, and hunting, fishing and trapping licenses. As an employer I pay notice of work fees to the Department of Labor, state unemployment insurance, Department of Environmental Conservation fees, and numerous permits including land use permits. Moreover, when the Legislature began using part of the Permanent Fund earnings to fund government services instead of transferring its share of the earnings to the principal of the Fund, every recipient of the PFD, including me, became a taxpayer.
