Paid for by Alaska First Fund, a joint fundraising committee composed of and authorized by Save America, Kelly for Alaska, Alaska PAC, Sarah for Alaska, and Save and Restore Alaskan Honor PAC

Alaska First Fund is a joint fundraising committee composed of and authorized by Save America, Kelly for Alaska, Alaska PAC, Sarah for Alaska, and Save and Restore Alaskan Honor PAC ("Alaska First"). Federal law requires us to use our best efforts to collect and report the name, mailing address, occupation, and name of employer for each individual whose aggregate contributions exceed \$200 in a calendar year.

All contributions to Alaska First Fund permissible under FECA shall be allocated among the committees as follows: The legal maximum in federal funds that an individual or PAC (multicandidate PAC in parentheses) may contribute to Alaska First Fund is \$26,600 (\$35,000).

- I. The first \$11,600 (\$20,000), split evenly between Kelly for Alaska (primary and general election accounts) and Sarah for Alaska special general and primary election accounts);
- II. The next \$5,000 (\$5,000) to Save America;
- III. The next \$10,000 (\$10,000) split evenly between Alaska PAC and Save and Restore Alaskan Honor PAC.

Notwithstanding this allocation method set forth above, any contributor may designate his or her contribution for a particular participant. In addition, the allocation formula may change if a contributor makes a contribution which would exceed the maximum legal amount that a contributor may give to a particular participant.

The maximum amount an individual or PAC (multicandidate in parentheses) may contribute to Alaska First Fund is \$26,600 (\$35,000).

Contributions to Alaska First Fund are not tax deductible as charitable contributions for federal income tax purposes. Contributions by corporations, labor unions, foreign nationals, and federal government contractors are prohibited.
