## Congressman Begich Secures Key Community Project Funding for Alaska Through FY26 Appropriations

**WASHINGTON, D.C. – Feb. 13, 2026** – Congressman Begich (AK-AL) announced significant federal investments for communities across Alaska through [Fiscal Year 2026 appropriations in the Transportation, Housing, and Urban Development \(THUD\)](#) appropriations bill which includes critical Community Project Funding (CPF) investments and infrastructure funding.

*“These investments reflect a clear commitment to invest in and modernize Alaska’s infrastructure,” said Congressman Begich. “The funding secured through FY2026 appropriations delivers real improvements that will enhance safety for our ports and harbors, support economic growth, and protect Alaska’s communities from storm damage.”*

### Transportation, Housing, and Urban Development (THUD) appropriations bill includes the following Community Project Funding investments across Alaska:

- **\$250,000** - City of Homer – Homer Port Freight for the replacement of aging float systems essential for freight movement and port operations.
- **\$5,000,000** - City of Kodiak for major upgrades to St. Hermans harbor infrastructure to support commercial fishing, maritime safety, and economic activity.
- **\$1,750,000** - Municipality of Anchorage – Port of Alaska Modernization Program Electric Substation for the construction of a new electric substation to support ongoing modernization of the Port of Alaska, a critical lifeline for the state.
- **\$2,000,000** - Petersburg Borough – Banana Point Breakwater Improvements to enhance harbor protection and reduce storm damage.
- **\$2,387,000** - City of Soldotna – Marydale Avenue Improvements for transportation infrastructure improvements to enhance safety, accessibility, and local mobility.
- **\$1,100,000** - City of Ouzinkie for modernization of harbor infrastructure to improve safety, reliability, and access for maritime users.

These funds represent real progress for Alaska communities and Congressman Begich remains committed to delivering results for Alaskans across the state
